

COVID-19.....IT IS NOT OVER!

Join the fight to make better vaccines against COVID-19
A new mRNA vaccine has the potential to provide increased
protection against variants of COVID-19

Fight against COVID-19

We are looking for individuals to volunteer in a clinical trial of a new COVID-19 mRNA vaccine booster developed in Singapore. You may be eligible to participate if you are:

1. Aged 21 years or older
2. Have received the 2-dose primary vaccination series and 1 booster dose with BNT162b2 (the Pfizer vaccine)
3. Have received the 3-dose primary vaccination series, with or without 1 booster dose, of Sinopharm/ Sinovac COVID-19 vaccines

Please register your interest today by calling on below number.

Call 98985080 or email us at scrn@ncid.sg

Participants will be reimbursed for travel and inconvenience
